February 2016 NCACHE News

As seniors are making decisions about where they will continue their education next year, we wanted to remind you that on Saturday, February 20, 2016, college financial aid officers and other volunteers are helping students complete their Free Application

for Federal Student Aid (FAFSA) forms. This program is sponsored by CFNC and is open to students who plan on attending college in the 2016-17 academic year. This is also a great time to begin having conversations with younger students about their goals in life. Here are some
